

PARTNERSHIPS

COOPERATION

**SAUDI
ARABIA**

Existing Partnership

- There are some collaborations under Cooperation Program Agreement in Scientific and Higher Educational Cooperation in 1 March 2017 such as:
 - Scholarship for Indonesian students from King Abdul Azis University
 - KNB scholarships for Saudi Arabia students in Indonesia
 - International Joint Conference between universities in both countries
 - Development of Center of Excellence or research center in university in Indonesia
- Indonesian School (SILN) in Saudi Arabia

Proposed Partnership

- With three Saudi Arabia universities ranked 200 top global in the QS World University Ranking 2022, we would like to explore possibilities comprehensive partnerships in academic and research between universities, and also collaboration in vocational education and training
- We would like to explore collaboration for Kampus Merdeka / Emancipated Campus programs:
 - IISMA and IISMA Vokasi
 - Matching fund
 - Joint research on priority themes such as health and medicine, communication language and technology
- Even though we have not signed any bilateral agreement on early childhood, primary and secondary education, we would like to seek potential collaboration such as sharing best practices in education transformation
